

Travel Policy Packet - Active and Archived Extracts

Page note: this packet contains active rules plus archived reference material.

Reviewer warning: active rules and archived extracts are interleaved in this packet.

ACTIVE POLICY VERSION: 2026.2.

Lodging is reimbursable up to 210.00 per night unless written manager approval authorizes a higher nightly rate for the trip.

Meals are reimbursed at actual cost up to 65.00 per calendar day.

Alcohol is never reimbursable and must be removed before applying the daily meal cap.

Normal commuting between home and the regular office is not reimbursable.

Conference or workshop registration is reimbursable only if pre-approved in writing by a manager.

Premium internet, entertainment, and gifts are not reimbursable unless a separate finance exception says otherwise.

Archived note: version 2025.4 used different meal and lodging caps. It is retained for audit history only.

Noise: airfare rules, passport renewal fees, and relocation stipends are handled by separate teams and do not apply to TR-19.

Noise: a sample catering approval form appears in the appendix. It is not a travel approval.

Noise: TR-18 rental-car approval appears in the scan bundle. It is unrelated to TR-19.
